On 06/29/2023, at approximately 2050 hours, I, Patrolman Fleurant and Patrolman Forte (car 223) was patrolling the Walgreens parking located at 533 Elmwood Ave, for illegal activity. The parking lot is a known area for low level street narcotic activity.

While about to clear the area, we observed a heavily tinted Chevrolet Malibu pull into from Bucklin Street and cut through the parking. The vehicle was bearing RI PC 1ER792. The vehicle then turned right and started driving outbound on Elmwood Ave. Due to the heavy tint and the unnormal driving behavior, we got behind the vehicle as it traveled onto Reservoir Ave. At that time, Ptlm Forte activated the emergency lights and conducted a motor vehicle stop in the area of Reservoir Ave and Algonquin Street. The target vehicle came to a slow stop as it turned onto Algonquin Street. As I stepped out of our marked police cruiser the vehicle rolled a couple feet forward before stopping. From my prior police trainings and experiences that is known behavior when attempting to hide any illegal contraband before police contact.

When I approached the passenger side window, I observed the male operator to be reaching down towards his door floor area. Patrolman Forte spoke with the driver as I spoke with the front and back seat passengers. The front passenger was identified as Kevin Nunez (██████/2000), who is known to be an active Young Blood gang member who was recently shot. There were three back passengers, Adrian Garcia (██████/2000), Jeremiah Lewis (DOB unknown), and Nunez's little cousin. Due to the driver reaching down, Patrolman Forte asked him to step out of the vehicle. When the driver was asked about his name he continued to redirect the question asking why do you need to know. The male continued to look around which appeared that he was looking for an escape. The male operator did not know anything about the vehicle and who rented it. Patrolman Forte had the operator sit down until he was able to properly identify him.

While speaking to the passengers there was a large sum of money wrapped in elastic bands, which is consistent with narcotic activity. Also, in plain view was a black satchel and plastic baggies in the driver's side door pocket, which is also consistent with narcotics/ firearms. At that time, we requested all the passengers to step out of the vehicle. Nunez could not step out due to a recent injury from a shooting which left him paralyzed from the waist down.

While searching the drivers side door area, located in the black satchel bag was approximately \$2,691 cash, along with the cash was five purple pills "M" in a small plastic baggie. Due to my prior police trainings and experiences, that marking on pills is known to be associated with pressed pills containing suspected fentanyl.

The male operator was secured into my marked cruiser for further investigation. At that time, he stated his name was "Jason Depina (██████/2001)". A check of that name and date of birth there was no record. At that time, we advised "Depina" he was under arrest for possession of narcotics. All other parties were negative and released from the scene.

"Depina" was transported to central without incident. While in the booking area, "Depina" stated his real name was Nasir Dupont (05/05/2003). A check on channel 4 revealed Dupont was negative NCIC. Sgt. Murphy was notified. TOT to NFOC

On 06/30/23 at approximately 0800 hours I, Det. Rousseau, responded to the narcotics safe located inside the patrol bureau and retrieved paperwork as well as a clear sealed envelope pertaining to the arrest of Nasir Dupont (DOB 05/05/03). Inside the envelope, I located five (5) blue suspected fentanyl pills (Net Wt 1.40g). A fentanyl reagent kit was conducted on a small portion of one of the pills which revealed a positive for Fentanyl. The remaining pills were packaged, sealed and placed in property to be held as evidence.

Dupont will be charged by NOC with 21-28-4.01 C2i Possession of Fentanyl.
